# All About Me

Teaching has always been a passion of mine. I love everything about it from the beginning of the year, to watching them grow & learn so much by the end of the year.

I live in New Caney in the same neighborhood I grew up in. My son, Alston graduated in 2022 and works in the oil industry. My daughter, Melanie is active in sports & FFA, she plans to be a Veterinarian. I also have 3 stepdaughters. On the weekends we like to do anything that involves water. My husband and I have been together 8 years and married for 4 years. He is a hard-working lineman and an amazing friend & provider. We also take care of my 81-year-old grandmother that keeps us on our toes.

This year will go by fast, but your kids will stay in my heart forever!
