All About Me

Ili, I am Lesley, I have worked at CWM for the 5 years as a teacher's aide and preschool teacher. Starting in January I will be working in late care only, I look forward to spending time with multiple groups of children. I love how at CWM we all become familiar with all the kids, even if they are not in your class. This is how we make CWM feel like a big family, we all collectively care for the kiddos whether they are in your class or not!
